LEGAL UPDATE - Axiom Worldwide Seizes Bank Accounts, Parts, Inventory and Other Assets of Excite Medical Corp and Mr. Saleem Musallam

Tampa, Florida, USA - February 7th, 2014: Axiom Worldwide, Inc. is releasing this Legal Update in an effort to stave off the continued confusion in the marketplace and to limit the amount of misinformation in the industry:

- On December 20th, 2013 Axiom Filed a Motion for Contempt against Excite Medical Corp and Mr. Saleem Musallam for violation the Federal Court's Permanent Injunction and Orders.
- On December 23rd, 2013 Axiom served a writ of garnishment on Bank of America and seized the funds from the bank accounts of Excite Medical Corp and Mr. Saleem Musallam
- On December 23rd, 2013 Axiom also served a writ of garnishment on Bank United and seized the funds from bank accounts of Excite Medical Corp and Mr. Saleem Musallam
- On January 28th, 2014, with the assistance of the US Marshal's offices in Tampa, Florida Axiom levied upon Excite Medical at the office and warehouse their inventory, equipment, computers, miscellaneous assets and records to include DRX9000 and DRX5000 parts, inventory and any illegal Intellectual Property.
- On February 3rd, 2014 Axiom also served a writ of garnishment on Wells Fargo Bank and seized the funds from bank accounts of Excite Medical Corp and Mr. Saleem Musallam

Axiom Worldwide has recently had enquiries requesting an update on the legal victory that was previously entered by the Federal Court that permanently bans the Defendants Ryzur Medical, Beijing Ryzur, Anhui Ryzur, HTRD, David Ren, Excite Medical, Saleem Musallam and Eltech USA from using any of Axiom Worldwide, INC's Intellectual Property for the sale or service of DRX9000's, DRX5000's or the use of any of Axiom's Intellectual property for any reason whatsoever to include counterfeit parts and machines.

Axiom Worldwide, Inc was founded by Mr. James Gibson in 2001 in Tampa, Florida and obtained multiple US FDA 510(k) clearances over the years. Axiom invented its flagship product the DRX9000 True Non-surgical Spinal Decompression System and the DRX9000C for use in medical markets around the globe. The DRX 9000 and the DRX9000 C were created to provide relief of back and neck pain and symptoms associated with herniated discs, bulging or protruding intervertebral discs, degenerative disc disease, posterior facet syndrome, and sciatica.
